

UBeTRAM platform

Last updated 21/07/2026

The UBeTRAM platform provides necessary legal steps allowing international researchers requesting access to the MV-Fashion dataset. The procedure includes several steps: Researcher identification, agreeing with the license, verification, and granting the access in HuggingFace.

You can access the platform through [this](#) link. Please assure your browser translation is activated for the Catalan/Spanish language. You will see the starting page in Fig. 1.

First of all, you need to download the license through the provided link (next image).

Documentation to be provided:

1. License to use the MV-Fashion dataset (required)

At the end of the page you will see three buttons with colors blue, green and grey. If you have a valid digital certificate, you need to click the green button (see section 1), if not the grey button is there for you (see section 2). After entering you need to follow three more steps to finalize the access request (see section 3).

Title:

Application for License Authorization to Use the MV-Fashion Dataset: Towards Virtual Try-On and Size Estimation with Multi-View Pinned Data

Description of the procedure:

This procedure is used to apply for the authorization of the license to use the MV-Fashion Dataset. It is a dataset created by the Human Posture and Behavior Analysis (HUPBA) group of the UB with the framework of the research project entitled Understanding digital bio-metric interactions through the processing of social signals. The dataset, described in Appendix A, is divided in a voluntary tasks by interested persons. The dataset contains the data itself, as well as any derivative works based on all or part of this data. All data contained in the Dataset have been collected and processed in accordance with the RGPD/GDPR.

Who can apply:

This procedure may be signed by the licensee, a natural person who must be a researcher affiliated with a university or research institute. Other researchers (subordinates and/or students) affiliated with the same institution for which the Licensee is responsible may be named at the end of this document, allowing them to work with the dataset.

Period of the year in which you can request:

Any year round

Documentation to be provided:

1. License to use the MV-Fashion Dataset (mandatory): 

Processing unit:

Mathematics and Computer Research Office P2023

de-recepcio-matem@ub.edu

Legal regulations:

• [Decret 139/2010, of 3 December, on the Protection of Personal Data and Guarantee of Digital Rights](#)

• [Llei 15/2013, of December, amending the recent text of the Intellectual Property Law, according to Royal Legislative Decree 1/1982, of 28 April, and Law 10/2000, of 2 January, on Civil Sanctions](#)

• [Law 39/2015, of 1 October, on the Common Administrative Procedure of Public Administration](#)

Identifica't i tramita

Hà ha tres vies de decisió al formulari electrònic, segons el perfil d'usuari:

• Amb credencial UB: El llicenciat és la amb credencial i conforma UB.

• Amb credencial digital: El llicenciat és la amb credencial electrònica emesa per un prestador de credencial electrònica (CECAT, EMCA electrònica, PIRABT, etc.) o qualsevol altre sistema admet per integració de serveis d'identificació VILEAT (CECAT MÀQU. CTE, etc.).

• Sense credencial digital: El llicenciat és una sol·licitant per a persones que no són residents de l'Espanya State and who are not in a position to obtain a digital certificate. The process is the identification of persons belonging to the University of Barcelona.

Figure 2. Login window for those who have a valid digital certificate.

Then click on the top right grey button “Digital Certificate: idCAT, DNle ...” to see Fig. 3 in which you can select your digital certificate. Note that you need to have your digital certificate already installed on your system.

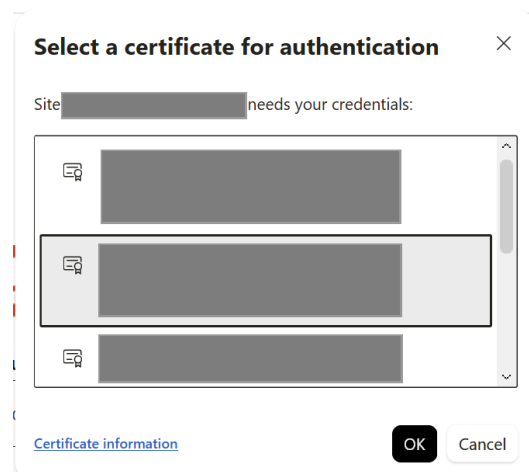

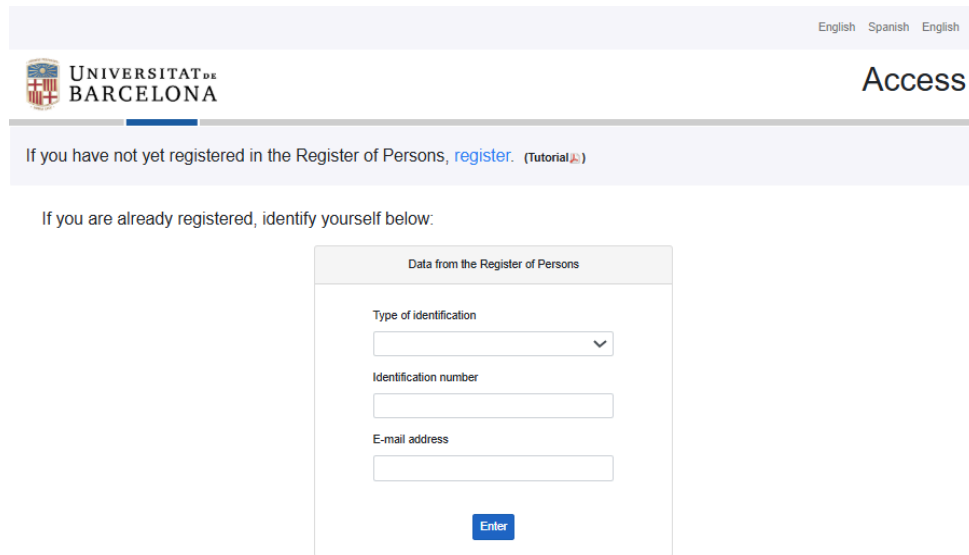

Figure 3. The popup window to select your digital certificate.

2. Enter by registering a username on the platform

If you do not have a valid digital certificate, you can use the grey button. By clicking it, you will see Fig. 4.

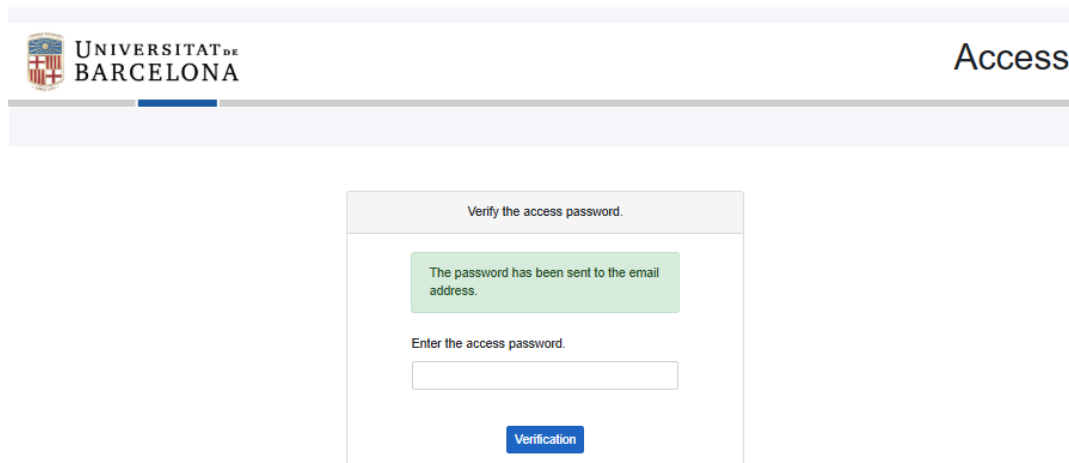

The screenshot shows the top of the UBeTRAM platform interface. At the top right, there are language links: "English", "Spanish", and "English". Below this is the "UNIVERSITAT DE BARCELONA" logo and the word "Access". A horizontal bar contains the text: "If you have not yet registered in the Register of Persons, [register](#). (Tutorial [📄](#))". Below this bar, it says "If you are already registered, identify yourself below:". The main form is titled "Data from the Register of Persons" and contains three input fields: "Type of identification" (a dropdown menu), "Identification number", and "E-mail address". At the bottom of the form is a blue "Enter" button.

Figure 4. Enter by registering on the UBeTRAM platform

If it is the first time that you are accessing the UBeTRAM platform, first you have to register on it by clicking on the “register” (see section 2.1 for details).

After registration you can enter by filling in the form shown in Fig. 4 using the information you provided during registration. By clicking “Enter” you will see Fig. 5 in which you can enter the password sent to your email.

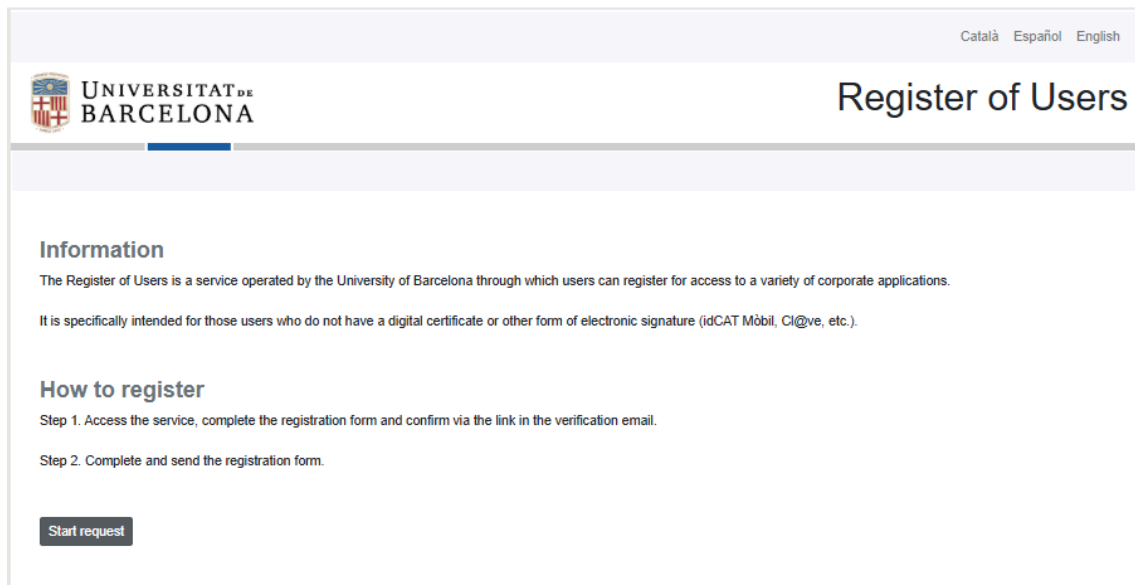

The screenshot shows the same top header as Figure 4. Below the header, there is a form titled "Verify the access password.". Inside the form, there is a green message box that says "The password has been sent to the email address.". Below this, it says "Enter the access password." followed by a text input field. At the bottom of the form is a blue "Verification" button.

Figure 5. The access password is sent to your email.

2.1. User registration

By clicking on “register” in Fig. 4 you can request a sign up to the platform (see Fig. 6).

The screenshot shows the 'Register of Users' page. At the top, there is a header with the University of Barcelona logo and name on the left, and language options (Català, Español, English) on the right. The main title 'Register of Users' is on the right side of the header. Below the header, there is a section titled 'Information' with a paragraph explaining the service. Another paragraph specifies the target audience. Below this is a section titled 'How to register' with two steps. At the bottom of this section is a 'Start request' button.

Register of Users

Information

The Register of Users is a service operated by the University of Barcelona through which users can register for access to a variety of corporate applications.

It is specifically intended for those users who do not have a digital certificate or other form of electronic signature (idCAT Mòbil, Cl@ve, etc.).

How to register

Step 1. Access the service, complete the registration form and confirm via the link in the verification email.

Step 2. Complete and send the registration form.

Start request

Figure 6. Start registering a username on UBeTRAM

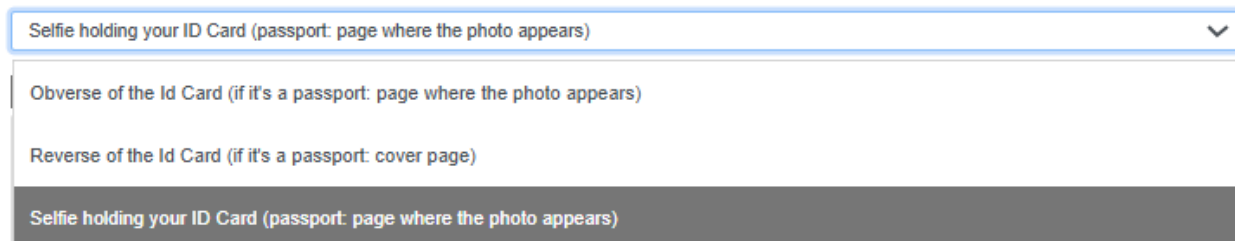

After clicking the “Start request” button, you will see Fig. 7 in which you can fill in your information. If you do not have a second surname leave it empty. However, you might receive an error that is still asking to fill it in. In this case you should free your browser cache or simply just write your first surname in the second surname field.

The most important part is the “Attached documents”. You can see the following drop-down list in the type of documents. You have to upload all three requested items. Note that it is only accepting files in PDF format less than 8 MB.

Attached documents

Only PDF format is accepted and files cannot exceed 8 MB in total

Tipus document

The screenshot shows a drop-down menu for 'Tipus document'. The selected option is 'Selfie holding your ID Card (passport: page where the photo appears)'. Other options visible are 'Obverse of the Id Card (if it's a passport: page where the photo appears)' and 'Reverse of the Id Card (if it's a passport: cover page)'. The selected option is highlighted in a darker grey bar at the bottom of the list.

3. Complete your access request to the MV-Fashion dataset

After entering the system, either by digital certificate or user registration, you will see the 2nd step of the accessing request in Fig. 9 and 10. You will see your information in the identification data panel, including ID number and name. However, you need to define your role as the interested party or a legal representative of another person. In the latter, you have to fill in the details of the represented party. Finally after filling all the requested fields, you have to upload the license that you've downloaded before and click on the "continue" button.

Reason for the request
Description

Basic information on data protection

(1) The person responsible for the processing of your data is the General Secretariat of the University of Barcelona.

(2) The purpose of the processing is to manage the procedure you wish to carry out. When necessary, the unit that manages the procedure you carry out will inform you specifically about the processing of your data.

(3) You have the right to access your data, rectify it, delete it, oppose its processing, request its portability and the limitation of processing, in certain circumstances.

(4) You can consult the detailed information of the aforementioned processing at the e-mail address at [this link](#).

☐ I declare that I have read the right to information and expressly consent to the processing of my data in the terms indicated.
